

# HOPE

## SUMMER SCHOOL SERIES

TRAININGS FOR BUSY HOSPICE NURSES  
OFFERED BY PROVIDER INSIGHTS, INC.

### HOPE TRAININGS

***This summer, give your team  
the tools to master HOPE, one  
bite-sized lesson at a time!***

The HOPE Summer School Series is an eight-part micro training program designed for hospice nurses to complete in between visits, on their time, at their pace. Whether this is your team's first introduction to HOPE, or if they need a focused refresher, these short, accessible modules will help them stay compliant and confident.

### DESIGNED FOR YOU

- 8 brief, high-impact trainings
- Designed for in-the-field nurses
- Immediate application to workflows
- Led by hospice industry experts

### WHAT TO EXPECT

#### Timing

Know exactly when the HOPE must be completed

#### What's New?

Understand the updated and changed questions

#### CMS Guidance Made Easy

Practical tips for accurate, compliant answers

#### Process Measure Success

Learn how symptom follow-up visits directly affect your metrics
